

# Save up to 100%

On Credit Card Processing Fees with Cash Discount

Pass processing fees on to your customers while marketing a discount for cash purchases.

## Guaranteed Savings!

Savings up to 100% are possible however, One Flesh Business Solutions does not guarantee 100% savings

### Awareness

We provide signage so your customers are aware that you offer a discount with all cash payments and that credit card purchases are excluded from this discount; which is displayed on the receipt.

### Take Payments

When customers pay by credit the cash discount fee will be automatically charged to your customer, saving you money.

### Save

You will see your savings on your monthly merchant statement
