

Save up to 100%

On Credit Card Processing Fees with Cash Discount

Pass processing fees on to your customers while marketing a discount for cash purchases.

Guaranteed Savings!

Savings up to 100% are possible however, One Flesh Business Solutions does not guarantee 100% savings

Awareness

We provide signage so your customers are aware that you offer a discount with all cash payments and that credit card purchases are excluded from this discount; which is displayed on the receipt.

Take Payments

When customers pay by credit the cash discount fee will be automatically charged to your customer, saving you money.

Save

You will see your savings on your monthly merchant statement

Typical Monthly Processing Total Fees: \$1000

Cash Discount Fees Applied: \$1000

Your New Monthly Processing Fees: \$0
